

We acknowledge the support of the

Active Living Program

The program provides a social activity program and/or respite for Carers. The program is available for frail older people and those living with dementia.

The program enhances the client's quality of life while maintaining their social interaction and skills. Operating times: Thursday and Friday 10.30am – 3.00pm. We do not operate on Public Holidays.

Fees:

Clients are charged a nominal fee to attend PAGs. This fee assists with basic daily programming costs, includes morning and afternoon teas and a hot 3 course lunch.

Clients can participate in alternative activities scheduled each month at a minimal additional cost.

Referrals

Can be made by the public and health professionals.

Transport

If transport is required we can pickup and drop off Clients within a designated transport zone. Please ring to find out if you are within that zone. A small fee applies for transport.

Contact

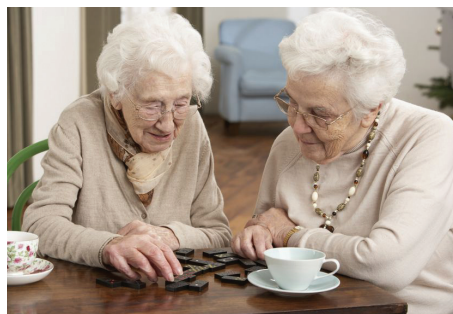

Please contact the Manager Community Services on 9836 9681 to find out eligibility requirements or for more information.
